

Technical drawing of a rectangular frame with dimensions:

- Overall width: 59 in
- Overall height: 21 1/2 in
- Inner width (left section): 16 5/8 in
- Inner width (right section): 16 5/8 in
- Inner width (central section): 21 3/4 in
- Inner height (central section): 20 5/8 in

Technical drawing of a rectangular frame. The drawing shows a rectangle with a smaller rectangle inside it, creating a border. The dimensions are labeled as follows:

- The width of the inner rectangle is $17 \frac{5}{8}$ in.
- The width of the border on the right side is $10 \frac{13}{16}$ in.
- The height of the inner rectangle is $19 \frac{5}{8}$ in.

Diagram illustrating the installation of a support strip to studs. The support strip is 6 1/2 in wide and 13 1/8 in high. The studs are 5 1/8 in wide and 2 1/2 in apart. The total height of the assembly is 19 3/4 in. The diagram also shows the support strip being secured to the studs with a screw.

Technical drawing of a rectangular object, likely a book cover or folder, showing a top-down view. The drawing includes a central rectangular area with a smaller rectangle inside it. Dimensions are indicated: a vertical dimension of 4 in on the left and a horizontal dimension of 4 in on the top right. A diagonal line is drawn across the central area, and a circular arc is visible at the top center.
